WubbaNub

Tons of love in every Wub! ™

FIND MORE FRIENDS ON
WUBBANUB.COM

- Baby's first friend
- Distributed to hospitals nationwide
- Medical grade silicone pacifier
- BPA, latex, and phthalate free
- Permanently attached pacifier helps prevent the "missing pacifier" problem
- Perfectly sized for little hands to hold

Remove all packaging before giving to child. These attachments are not part of the Wubbanub Infant Pacifier. All nipples can wear out with normal use or over time.

To Prevent Possible Choking Hazard: before each use inspect the pacifier nipple. Discard immediately if nipple is enlarged or if any signs of cracks, tears, or excessive wear appear.

WARNING...

Do Not Tie Pacifier Around Child's Neck as It Presents a Danger of Strangulation. Not a teething product. For more safety information, go to www.wubbanub.com/safety.html

USE

Always use under adult supervision. Practice safe sleep habits and pacifier safety, please visit www.wubbanub.com/safety for more information. This product is recommended for ages 0-6 months (babies without teeth). Not a teething product. This product complies with all relevant CPSC requirements and has been tested to ASTM F 963 and 16CFR standards.

CE

CARE

Before initial use, wash pacifier nipple in warm water using mild liquid soap. Squeeze out any trapped water from the soother. For recommendations on sterilizing, visit www.wubbanub.com.

- **Plush:** hand wash with a soft cloth or machine wash in a mesh laundry bag, gentle cycle. Wash nipple before use. Allow to air dry. Please visit www.wubbanub.com for more information.

Please retain this card for your records.
