GAME IDEA

Receive, exchange, give away and keep gifts.
Play a game involving gifts by rolling the dice and using the 107 timeless task cards and many variations. The fun challenges mean the gifts are constantly changing owner or place. This provides a huge amount of fun and hilarity.

NATURE OF THE GAME

Although good luck and bad luck are constantly to-ing and fro-ing, one thing is for sure: Everyone is always a winner! The game is extremely easy to play (3-99 players) and can be easily explained to all players (ages 6-99). You choose how long the game lasts.

A HUGELY ENTERTAINING GAME FOR PARTIES AND GET-TOGETHERS

This game is perfect for cosy winter months, work parties, your student games society or club, children's parties or for playing at any other time. Are you having a get-together with family, friends, colleagues or class mates? Then really let your hair down!
