"CHAOS... CONTROL"

Since Shadow the Hedgehog emerged from the Space Colony ARK in *Sonic Adventure 2* (2001), fans have embraced the popular Sonic the Hedgehog™ adversary. Shrewd, sharp and haunted by his mysterious past, the Ultimate Lifeform is merciless in the pursuit of his goals, and nothing will stand in his way, not even Sonic.

Unleash the Ultimate Brick Power

"Getting to render a character as popular and iconic as Shadow the Hedgehog in LEGO® format was a thrill! We have packed the model full of Easter eggs we hope fans will love, with lots of nods to Shadow's long history and a lot of really fun elements in new colours. Enjoy building!"

Aron Gerencsér,
LEGO® Model Designer

The History of Shadow the Hedgehog

Shadow, the character who was born in 2001's *Sonic Adventure 2*, is the embodiment of the ultimate rival to Sonic. Originally conceived as a character exclusively for that game, he met a tragic end at the conclusion of the story. However, the overwhelming popularity he gained after the game's release brought him back in *Sonic Heroes* just two years later. His jet-black body represents the ambition of a dark hero, while the red line symbolises his unwavering determination and strong will. Spanning the modern era from games to film, Shadow's continued presence as Sonic's formidable rival captivates our hearts...forever fearless.
