Discover Countless Ways To Play

1. PACIFY: Baby is crying and needs some TLC! Try different comforting techniques such as rocking, cuddling, bouncing, singing, or helping baby to suck her thumb or the pacifier.
2. DAILY PLANNER: What's on the agenda for today? Create a schedule for baby that includes feeing, nap time, playtime, and other errands and activities!
3. ROCK-A-BYE: Make up lullabies to sing to Brianna while rocking her to sleep, and some gentle "time to wake up" songs, too!
