

3.5 MM AUDIO + POWER

The 3.5 mm Audio + Charge Adapter allows you to use your headphones while charging your Phone. Just connect your 3.5 mm headphones, speakers, or AUX cable (aka AUX cord) to enjoy music or talk hands free, while you charge. Use the 3.5 mm at home, at work, in the car, or on the go.

- AUDIO + CHARGE
- AUDIO + AUDIO
- AUDIO + SYNC*
