Instructions for use

Safety Instructions

-  Before first use of the machine, this instruction manual must be read through carefully. Save instructions for later use.
- 

WARNING !

-  Do not use the machine without dust bag and filters properly fitted.
-  This machine is not intended for the suction of hazardous materials or gas, doing so may expose people to serious health risks.
-  The machine must not be used for the suction of water or other liquids.
-  Do not pick up sharp objects such as needles or pieces of glass.
-  Do not pick up anything that is burning or smoking such as cigarettes, matches or hot ashes.
-  Use and store this machine indoors and in a dry environment, 0 °C to 60 °C.
-  Do not use the machine outdoors.
-  When activating the automatic cable rewind, care must be taken as the plug at the end of the electric cable can swing during the last part of the rewinding. It is recommended that you hold on to the plug while rewinding.
-  Do not handle the machine with wet hands.
-  Turn off the machine before unplugging.
-  To unplug, grasp the plug, not by pulling on the cord. Do not carry or pull the machine by the cord.
-  The machine must not be used if the cord shows any sign of damage. Regularly inspect the cord for damage, in particular if it has been crushed, shut in a door or run over.
-  Do not use the machine if it appears faulty. Have the machine inspected by an authorized service centre if the machine has been dropped, damaged, left outdoors or has been exposed to water.
-  No changes or modifications to the mechanical or electrical safety devices should be made.
-  All repair must be carried out by an authorized service centre.
-  Use only original dust bags, original filters and original accessories from your local dealer. Use of unauthorized dust bags and filters will void the warranty.
-  Turn off the machine and unplug before starting dust bag or filter change. Grasp the plug, not by pulling on the cord.

-  If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid hazard.
-  Don't touch rotating parts by hand when using turbo nozzle.
-  This appliance can be used by children aged from 8 years up and persons with reduced physical, sensory or mental capabilities or lack of experience, if they are supervised or instructed how to use appliance in a safe way, and if they understand the hazards involved.
-  Do not allow children to clean the appliance or perform user maintenance without supervision.
-  Children must be supervised to make sure that they do not play with the appliance.
-  Do not charge non-rechargeable batteries.
-  Remove rechargeable batteries from the appliance before charging.
-  Do not mix different types of batteries or new and used batteries.
-  Pay attention to the correct polarity when inserting batteries.
-  Remove exhausted batteries from the appliance and dispose of them safely.
-  If the appliance is to be stored unused for a long period, remove the batteries.
-  Do not short-circuit the supply terminals.

Service and maintenance

Store the machine indoors and in a dry environment.

- Change the pre-filter with every fourth dust bag.
- Clean the machine surface with a dry cloth or a damp cloth with a little cleaning agent.
- Order original accessories from a local dealer.
- For service, contact your local dealer.

Responsibility

Nilfisk disclaims all responsibility for all damage caused by incorrect use or modification of the machine. Please refer to our website at www.nilfisk.com for further instructions and information on use.

WEEE

The symbol  indicates that this appliance may not be discarded together with household waste, but must be collected separately. Please dispose old appliances at the applicable collection point for recycling.

The models can include different nozzles as standard
