CARBON-TINTED
CASE TO PROTECT
YOUR PHONE.

**IMPACT
READY**

With a cool carbon tint, easy grip and sturdy but slim profile, our Evo Tint case offers increased levels of protection for your iPhone and its camera against acts of clumsiness and drops of up to 10ft/3m. Its self-healing properties will also smooth away everyday scratches and scuffs.

10ft/3m IMPACT PROTECTION

As tested by our scientists, this clear and compact case will protect your phone from drops and scratches.

BUILT-IN HYGIENIC PROTECTION

Made with a material that helps keep your case clean by reducing microbes by up to 99.99%.

STYLISH AND SECURE

This slim and sturdy phone case features a cool carbon tint.

SAFEGUARD YOUR CAMERA

The unique design keeps your camera free from scratches.

Available for all new iPhone devices
