

HOW TO USE

EYELASH

Maintenance time
6-8 weeks

1. Use the cleanser 4 to remove the oil, dust and makeup residue.

2. Apply the eye pads under the eyelids to protect your skin from the lotions.

3. Put glue on the eye pads then place it on the upper part of the eye lid and make sure it is stayed.

4. Apply the glue on the eyelashes to keep it stuck to the lift pads for 1 minute.

5. Use the perm lotion 1 on the eyelashes and then cover your eyes with a plastic wrap. (Perming time 10-12 minutes)

6. Remove the perm lotion 1 with Y brush, then apply fixing agent 2 on the eyelash and then cover your eyes with a plastic wrap. (Fixing time 10-12 minutes)

7. Use the cleanser 4 to clean off all residue with the Y brush, wiping with the comb side.

8. Remove the lift pads from the upper part of your eyelid, then use the nutrition lotion 3 to nourish your eyelashes.
