

How do you use the No.3 hair perfector from Olaplex?

The salons are open again, but quickly filled up! How can you ensure that you can continue to care for and maintain your hair at home so that it remains in top condition? With the Olaplex No.3 in combination with the Olaplex No.0 you can perform a salon-worthy treatment yourself at home! So that you can continue to maintain and care for your locks properly.

What does the Olaplex No.3 do?

The [Olaplex No.3](#) is step 3 in the Olaplex step-by-step plan. The Olaplex No.3 Hair perfector is a home treatment that restores damaged hair! By styling, blow-drying, and dyeing the hair, the hair gets damaged and the sulfur compounds in the hair are continuously broken. Olaplex is the perfect product to get your hair back in top condition!

The Olaplex No.3 Hair Perfector ensures that the softness, shine and structure of the hair is also preserved between salon treatments. It repairs the hair from within and nourishes and moisturizes the hair for optimal results. In addition, Olaplex is free of silicones, parabens, sulfates, phthalates, DEA, aldehydes, and gluten. The brand is also 100% vegan and not tested on animals.

How do you use the Olaplex No.3?

The first and second step of the Olaplex treatment takes place in the hair salon, namely with No.1 and No.2 only the salons are unfortunately closed, but you can also do everything necessary at home. Apply the Hair Perfector to clean, towel-dried hair and let it soak in for at least 10 minutes. For very damaged hair, it is recommended to let the Hair perfector work for 20 minutes. But you could leave it on all day or night for an even more intense result.

Then rinse the Hair Perfector from Olaplex carefully and wash your hair after the treatment with a nourishing shampoo and conditioner, for example the Olaplex No.4 shampoo and the Olaplex No.5 conditioner. You use the Olaplex No.3 Hair perfector 1 x a week in addition to your regular care.
