ANLAGE (Appendix): 1.0

This Certificate has been issued following a successful audit and is based on the conformity of the product with the applicable standards and safety warnings. Additional efforts may be taken, in order for products to be safely brought to market, without further discussion needed. The liability of the certifying producer will be waived.
This certificate is based on our Testing and Certification Regulation and states the conformity of the product with the standards and testing requirements as indicated above. Any additional requirements in countries where the product is going to be marketed have to be considered additionally. The manufacturing of the certified product is subject to surveillance.
