

**STAR
WARS**

A glowing yellow Star Wars logo sign is the central focus, mounted on a black base. The sign features the words "STAR" and "WARS" in a bold, blocky font, with the letters filled with a bright yellow light. The sign is positioned in front of two potted plants in a terrarium. The plants are housed in light-colored, textured pots and are set against a dark, textured background. The overall scene is dimly lit, with the primary light source being the sign itself, which casts a warm glow on the surrounding environment.
