SHADOWS

EXPANDABLE CARD GAME

SECRETS IN THE DARK

Shadows & Shrouds is an expansion for *Vampire: The Masquerade - Rivals* that adds two new clans: **LASOMBRA & HECATA**. The Lasombra love to win and will spend and risk their agenda to do so, often employing long shadows to do their bidding. The Hecata are necromancers obsessed with death, using the blood of mortals to fuel their occult practices. You may play these two clans head-to-head or integrate them with your Core Set and other expansions to make your coterie step out of the shadows and into the winner's circle.
