Cotton sport tape is an excellent trainer tape choice. It is extremely soft and conform to different body contours. Strong stickiness, easy hand tear and breathable!

Features:

1. Cotton material
2. Soft and comfortable
3. Good tensile strength
4. Pliedged, easy to tear by hand widthwise
5. Strong and reliable
6. Constant unwinding tension
7. Allow skin to breathe
8. Leave no residue on body parts

Application:

For fixing muscle when sprains and injuries, also used in fixing ice packs and sports equipment bundle wrapped. It will help control the edema and bleeding.

Material:

Tape: 100% cotton, glue: zinc oxide
