

STREX

WIRELESS

KEYBOARD & MOUSE

The Strex wireless keyboard and mouse set is the ideal combination to make your work easier than ever. The silent key and mouse clicks prevent others from being disturbed by your work. The mouse also fits nicely into your hand because it is ergonomically shaped. The keyboard is spill-resistant and because the set is completely wireless, you also have sufficient freedom of movement.

Your benefits

- ✓ Ergonomic design
- ✓ Silent mouse and keyboard
- ✓ Multimedia shortcut keys
- ✓ 1 USB receiver
- ✓ Plug & play

Work comfortably:

Both the keyboard and the mouse are ergonomically shaped so that you can sit in front of your computer for hours tapping the smooth and quiet keys.

Modern ergonomic mouse:

The included mouse has a modern design and, like the keyboard has silent mouse buttons. Suitable for both left and right-handers. Also has a handy DPI button.

Multimedia hotkeys:

The Strex wireless keyboard has a classic QWERTY layout. In addition to the standard keys, you also have access to 11 hotkeys which you can use with just the push of a button.

Wireless connection:

The set is plug & play and can be used without installation on any desktop and laptop. The keyboard batteries last for up to 12 months and the mouse batteries up to 24 months.
