

amount and intensity of the chewing, which toughness level you get (standard, XT, or XXT), and other variables. Regularly the chew & discard at first sign of damage.

CLEANING:

Wash the pendant before initial use and afterwards as needed. Scrub thoroughly with mild soap and water. Dishwasher-safe (no drying cycle or added heat).

CAUTION:  This product is NOT a toy. The clasp and cord are not intended for chewing. Contains small parts that may pose a choking hazard. Necklaces are not for children under 3 years old due to small parts and long cord strangulation risk. Recommended for ages 5 years and up. Adult supervision required. Discard at first sign of wear/tear.
