

# STREX ACTION CAMERA

Are you an adventure lover looking to capture the wildest actions and coolest travel memories on camera? The Strex professional action camera makes it all possible. With its amazing 5K resolution, you can enjoy vivid and realistic images whether you're diving, skydiving, or motorcycling. The special stabilization technology EIS ensures sharp photos and videos. Additionally, the 5K action camera features built-in WIFI, a waterproof housing that can withstand depths of up to 30 meters, and a dual touchscreen display.

#### UHD 5K ACTION CAMERA WITH BUILT-IN WIFI

This compact and stylish UHD 5K action camera allows you to easily capture various action sports, travel, and other adventures in high quality. The camera produces beautiful UHD images that can be easily transferred to your phone via the built-in WIFI. Capture your favourite memories in stunning quality!

#### EASY TO USE

The 5K action camera is user-friendly and versatile. It can be controlled via the supplied remote, the camera buttons, or the accompanying app. For instance, by connecting your phone to the camera's WIFI, you can operate the action cam with your phone. Remember to fully charge the camera before use and use the appropriate accessories to capture the most exciting moments.

#### COMES WITH NUMEROUS ACCESSORIES

The 5K Action Camera is supplied with a wide range of accessories. These include accessories for attaching the camera to bicycles, helmets, motorcycles, surfboards and more. Using the action camera for water sports? Then be sure to install the waterproof housing. This housing makes the camera waterproof up to 30 meters.
