

BATTERY PRECAUTIONS

- The product uses a non replaceable 3.7V lithium battery;
- The rechargeable battery must be charged under the supervision of an adult;
- When the rechargeable battery is charging, the toy switch should be turned off;
- The power supply terminal shall not be short circuited;
- Cannot be connected to more than the recommended number of power sources;
- The USB cable shall be inspected regularly to see if its wire, plug, shell and other parts are damaged. If any damage is found, it shall be stopped using until it is repaired.

Important note: Please use the original USB cable of this product to connect the transformer with USB socket (such as mobile power supply, notebook computer, desktop computer host, etc.) to supply power to this product. The transformer is not delivered.

DC5V
