

V5.0

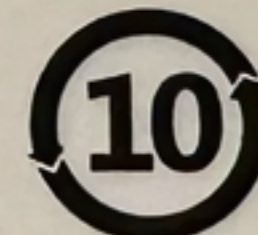

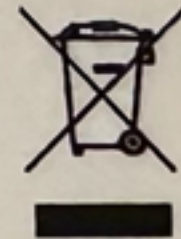

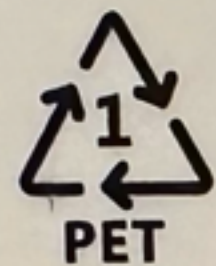

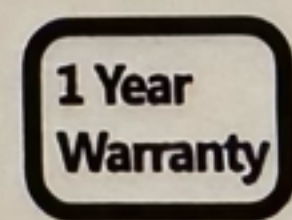

Product parameters

Product Specifications: V5.0+ EDR
Transmission range: 10M
Transmit power: 2.402-2.484GHZ
Charging box battery capacity: 350MAH

Talk time: about 3.5H
Music time: about 4H
Standby time: about 120H
Charging voltage: DC 5V

Characteristics

1. Imported high-tech materials are used, and the quality is guaranteed.
2. Perfectly protect your digital products from scratches and abrasion.
3. Different series of styles make your digital products uniquely protective
4. Products made through special processing, visual and production and installation, the process is perfectly combined.

Made in China
