

MANSIONS OF MADNESS

SECOND EDITION

THE DOOR IS OPEN

The grimy alleys and looming mansions of Arkham harbor eldritch forces, terrifying secrets, and unspeakable monsters. Within these ancient buildings, gibbering madmen and cultists call upon the Ancient Ones, and beasts unknown by mortal scholars stir beneath the gibbous moon. Tonight, a few brave investigators venture behind Arkham's closed doors to make their stand against the madness within...

Mansions of Madness is a fully cooperative board game of horror and discovery for one to five players. Players take the part of investigators, entering the darkened rooms of haunted Arkham mansions and other sinister locales to discover strange secrets, solve cunning puzzles, and battle otherworldly dangers.
