

SAJJI®

USER MANUAL

Portable Laptop Stand

(Model: SL1)

12-Months warranty

For details on warranty or our return policy, please contact us directly.

1. Open and Close

Please push the bottom of the stand.

NOTE: please adjust the laptop stand to the highest level when close it.

2. Rotate & Switch the Gaffles

Do not move to adjust gaffles when placing a laptop.

Please do switch gaffles to proper height when placing a thick board.

3. Adjust Angle

PLEASE adjust the red bottom, while open to adjust tilt angle from 30° to 20°.
