

Legends of the Undead

The first vampires remember their first nights, but do not speak of them. Others have heard tales, but know better than to believe them. The wise speak of The Book of Nod, but none have seen this fabled book of ancient lore.

These are their tales ...

Their stories begin with the Chronicle of Caine and the earliest nights of the vampire. The Chronicle of Shadow reveals Caine's hidden teachings. Finally, the Chronicle of Secrets unveils the deepest mysteries of the Damned, including the coming dread of Gehenna.
