

# Revolution of 1828

*The thrilling duel of  
the presidential election of 1828*

We are in 1828 - John Quincy Adams and Andrew Jackson are battling for the highest office of the young United States. This election, famous for its ruthlessness, is the first smear campaign in the world - and you are part of it!

In this two-player game, you are trying to become the next president of the United States. Pick delegates, draw electors to your side, and make the press do your bidding. But beware - your actions can backfire.
