WARNING ⚠

Please avoid loud volume levels as being exposed to it for a longer time could damage your hearing.
Note that using the headphones with too loud volume while riding a bike, driving a car or motorcycle could be distracting and potentially dangerous.

Hi-Fi Wireless Over-Ear Headphones - PowerLocus

We built them with passion for music and aesthetics. Our vision is that everybody deserves sleek looking wireless headphones. We never liked the boring colors and the lack of attention to the detail which we were seeing. That is why, we built PowerLocus with the highest quality materials, comfortable frame and combined it with superior stereo sound.

PowerLocus Headphones are compatible with smartphones, tablets, pc, laptops and more.
