

DIRECTIONS FOR USE: Saturate your dog's coat with warm water. Because our shampoo is a concentrate, apply a small amount of shampoo to your dog's coat. Work shampoo into a foamy lather from head to tail. Rinse coat thoroughly and towel dry. Gently brush coat.

CAUTION: Use on dogs or cats. External use only. Avoid contact with eyes and mouth. Although rare, an allergic reaction is possible. If irritation occurs, stop use. Keep away from children.
