VibroShaper with handle

PRODUCT DESCRIPTION

VibroShaper - The full body exercise revolution!

VibroShaper helps you to burn calories and makes the body taut – and with just 10 minutes a day! Without sweat – without effort – without diets!
VibroShaper is an extremely high-quality, specially developed fitness appliance and has a built-in computer with a timekeeping function and 99 variable speeds at its disposal. In addition, it is equipped with 3 different intensity levels. The **VibroShaper** can increase your blood circulation, relax the muscle parts, the body recuperates quicker and you feel fit and active again. The multidimensional vibrations penetrate deeply into the muscles and fight against the fat deposited there; in addition, the skin will be tightened and the muscles strengthened. **VibroShaper** is ideally suited to anyone, whether young or old, beginner or professional.
