strong steel pedal

Our strong steel pedal is engineered to last over 150,000 steps — that's more than 20 steps a day for 20 years.

silent close lid

Our patented lid shox® technology controls the motion of the lid for a slow, silent close.

butterfly lid

Split doors open from the center for maximum clearance under low countertops.

internal hinge

Allows you to place this can right up against the wall.

stay-open lid

The lid stays open for as long as you like — perfect for longer chores.

non-skid base

Non-skid base has rubber pads that are gentle on floors and keep the can steady.

fingerprint-proof

Fingerprint-proof finish resists smudges to keep stainless steel shiny.

custom fit liners

Our code H liners are designed to fit this can perfectly so they don't slip, and they stay completely hidden. Extra-thick plastic and double-seam construction prevent rips and tears.
