CHARGING EARBUDS

1 Earbuds will power off when placed in the case and first show charging case battery level.

Solid green 100-25%

Blinking red less than 25% (charge case)

3 Earbuds will auto power on and connect to your device when removed.

2 Then **pulsing blue light** indicates earbuds are charging and turns off when fully charged.

CHARGING CASE

Connect the GO Air into a computer or USB 5V 1A (or less) output device.

Fully Charged

Charging

OR
FITTING
Try all ear tips for best fit and proper seal.
Place the earbud in the ear canal and slightly rotate to adjust for best fit.

QUICK TIPS

· The left or right earbud can be used independently for music and phone calls. Simply choose one and take out of the case to connect.

· Only ONE Bluetooth device can be connected at a time. Turn off Bluetooth on unwanted devices and turn on Bluetooth on chosen device to connect.

WARNING

Fully dry off the earbuds before putting in the charging case to avoid any damage to the case.

The earbuds are sweat/water resistant but the case is not.

CAUTIONS

· Avoid extreme heat, cold, and humidity.

· Avoid dropping or crushing the earbuds.

· Wax may build up in the earbud tips, lowering the sound quality.
  Carefully remove the wax with a cotton swab or other small tool to improve the sound quality.

· If you experience discomfort or pain, try lowering the volume or discontinuing use temporarily.

· If you experience regular discomfort while using this product, discontinue use and consult your physician.

· We recommend you treat your earbuds as you would a nice pair of sunglasses and keep them in safe location when not in use.
