Product information

Thanks for choosing YUNMAI Portable Push-up Bracket.

Handles

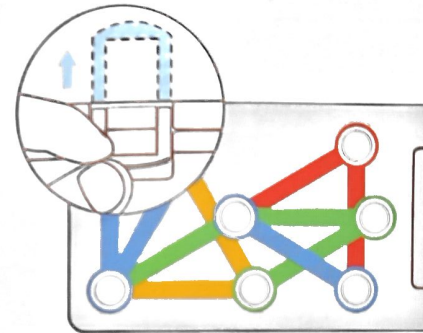

Push-up bracket body

■ Breast ■ Shoulder ■ Back ■ Triceps

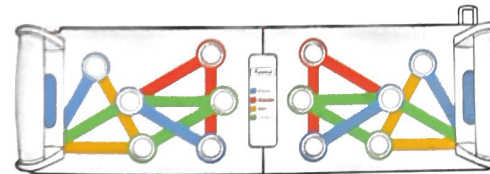

Tips: the color on the bracket represent the corresponding muscle groups.

How to use

Open

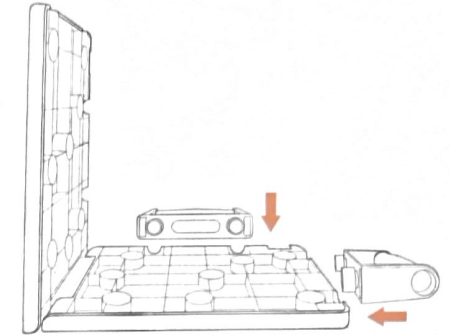

① Open the metal clasp upward to unfold the bracket.

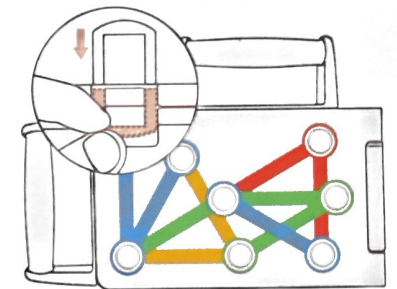

② Unfolding the bracket, and you can select the route which corresponds to the part you want to exercise. Then you need insert the handle into the hole symmetrically, and start your fitness journey.

Fold up

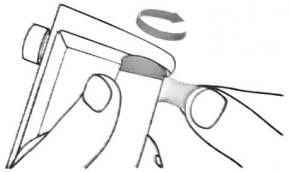

① Fixed the handle to the corresponding slot and close the bracket.

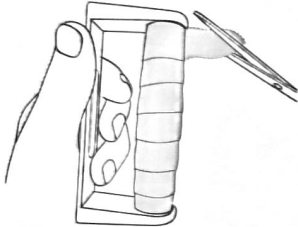

② Close the metal clasp downward to fold the bracket, and now it is in portable mode.

Paste grip tape

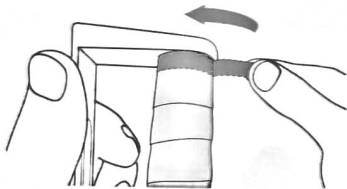

1. Wind the tape from the bottom to the top with some strength.

2. Cut off the unnecessary part.

3. Fixed the grip tape with a strip.
