PRINCESS

LCD display with digital timer and control panel

This bread maker has an easy to operate control panel, equipped with convenient touch buttons. The display shows the settings of the program and the remaining time.

Including measuring cup and spoon

The bread maker includes a measuring cup and spoon which help to use the right amount of each ingredient.

15 baking programs

Use one of the 15 baking programs to make different types of bread, jam and cake. Even a special gluten-free program can be used to make your own allergen-free bread!

Viewing window

The bread maker is equipped with a viewing window to monitor the bread making process without lifting the lid.
