EVOLIZE

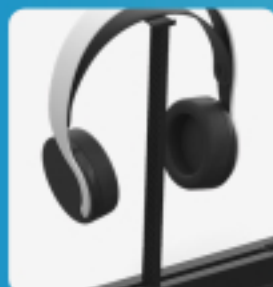

Dual Fans 3000 RPM

Game Storage

Collapsible Stand

Controller Charging

7 in 1 Multifunctional Docking Station for PS5 Disc & Digital Edition

Keep your game-space neat and tidy. The charging station features 2 slots for simultaneous controller charging, 2 built-in 3000 RPM cooling fans, 1 USB2.0 data port, 5 game storage slots, 1 bottom screw for safety and stability.

Dual Controller Charging

High power output for charging 2 PS5 controllers fast and simultaneous. The 2 LED charging indicators will show the charging status. They will be red while charging and green when fully charged.

Note: the charging will stop when the console is off and in rest-mode

Advanced Dual Cooling

The PS5 can heat up during use, especially during strenuous gaming sessions. Therefore, the docking station has two advanced built-in ultra-quiet fans that can reach up to 3000 RPM to protect the PS5 from overheating.
