CAUTION: Batteries may explode or leak, and cause burn injury if recharged, disposed of in fire, mixed with a different battery type, inserted backwards or disassembled. Replace all used batteries at the same time. Keep batteries in original package until use. Do not carry batteries loose in your pocket or purse. Do not remove the battery label. Do not shine LED light directly in the eyes. Note: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

Can't get enough flash power?

Compatible with alkaline batteries. DO NOT mix and use alkaline batteries with rechargeable batteries together. For the best performance, use Duracell alkaline batteries.
