

The Combination detector has a 10-year battery that lasts its entire lifetime.

Alarm goes off? Silence the alarm by use of the hush button.

The Combination detector's 85-decibel alarm is a useful safety feature that alerts you to emergencies like fires or carbon monoxide leaks.

Magnetic mounting pads make it easy and fast to install smoke detectors with strong double-sided adhesive. No additional tools required.

Where to install the Combination detector?

Warning: This device is not to be used in areas where the presence of a flame, gas, or smoke may be a hazard. Do not use in areas where the presence of a flame, gas, or smoke may be a hazard.
