

The Smoke detector has a 10-year battery that lasts its entire lifetime.

Alarm goes off? Silence the alarm by use of the hush button.

The Smoke detector's 85-decibel alarm is a useful safety feature that alerts you to emergencies like fires or starting fires.

Magnetic mounting pads make it easy and fast to install smoke detectors with strong, double-sided adhesive. No additional tools required.

### Where to install the Smoke detector?

Easily install the Flux smoke detector using the included mounting kit or magnetic mounting pads.
