

CE CERTIFICATE OF CONFORMITY

1. Certificate Information

Date of Issue: 04/03/2025

Product Name: Breast Pump Accessories

2. Product Description

Non-electrical accessory components designed for use with breast pump devices, including silicone flanges, tubing, valves, and milk collection containers. The products are made of food-grade silicone and polypropylene materials intended for direct contact with breast milk and are suitable for repeated consumer use.

3. Manufacturer Information

Manufacturer: EerlijkGoed

Address: Fortunaweg 17, 2314BV, LEIDEN, Nederland

Email: eerlijkgoed@outlook.com

4. Applicable EU Legislation and Local Regulations

2001/95/EC – General Product Safety Directive (GPSD)

2011/65/EU – Restriction of Hazardous Substances (RoHS)

5. Harmonised Standards Applied

EN 1186 series – Materials and articles in contact with foodstuffs – Plastics

EN 13130 series – Materials and articles in contact with foodstuffs – Plastics additives

EN ISO 22000:2018 – Food safety management systems – Requirements for any organization in the food chain

6. Assessment Summary

The product was evaluated for compliance with the above regulations and standards. Testing confirms conformity with the specific and overall migration limits required by Regulation (EU) No 10/2011. The materials used meet the compositional and purity requirements under Regulation (EC) No 1935/2004 and local national legislation listed above.

7. Certification

This certificate is issued under the sole responsibility of the manufacturer to confirm compliance of the described product with the applicable EU harmonisation legislation and relevant harmonised standards.
