

Efficient, reusable pet hair remover.

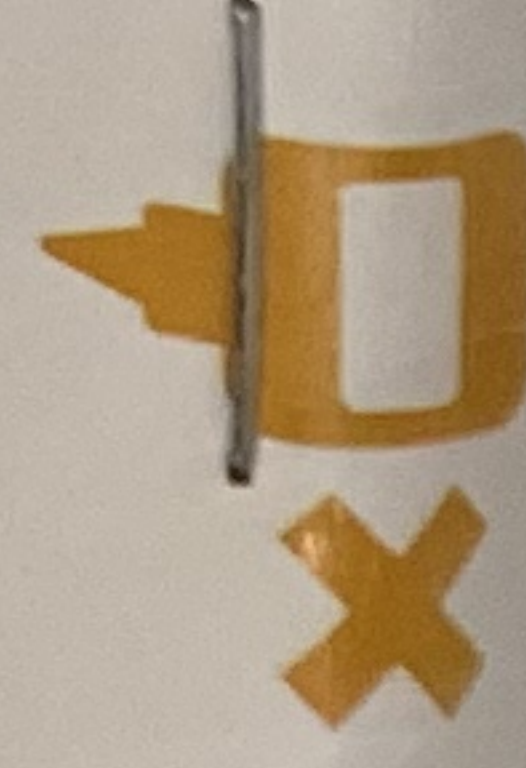

Provides world-class pet hair remover without the need for electricity or tape. By simply sliding the roller forwards and backwards, you can quickly clean the hair attached to the sofa, bed, carpet, car seat, etc.,. Presumably you have tried a variety of hair removal products, such as the sticky roll type devices, but they are not reusable.

No electricity required

100% reusable

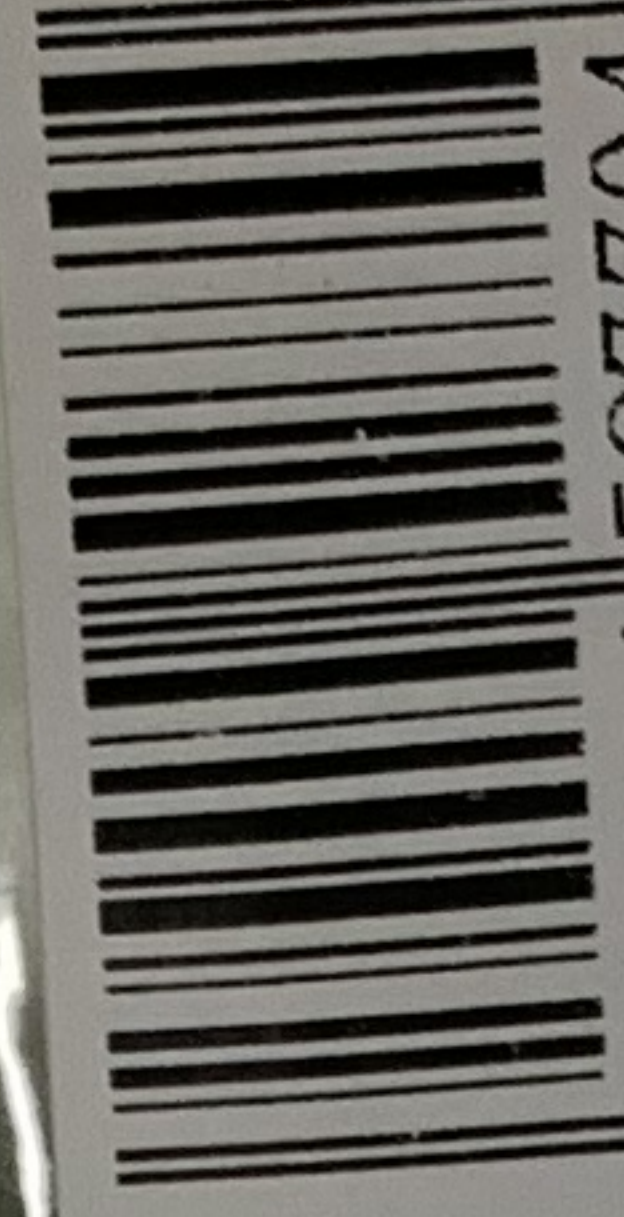

No glue or tape required

Eco-Friendly

Multi-functional hair remover
Made in China
