**The double long-slot toaster**

The Steel Toaster 2 Long Slot is the big brother of the Steel Toaster series by Princess. With room for up to four slices of bread, or two large slices, this toaster uses 1400 watts of power and offers the most diversity in portion sizes. It comes with all the expected functionalities, such as a cancel, reheat and defrost button.

**7 settings and included accessories**

Choose between 7 browning settings to achieve the perfect end result. You can also attach the bun warmer to prepare a hamburger or hotdog buns while making toast for maximal efficiency. Finally, the crumb tray at the bottom is easily removable and can be cleaned without much effort.

**Part of the Steel Toaster series**

This appliance is part of the Princess Steel Toaster series, a set of toasters characterized by a modern, stainless steel design with sleek shapes, rounded corners and above all, sturdy buttons, dials and pop-up levers. For more information on the other products of the series, visit our website: [www.princesshome.eu](http://www.princesshome.eu).
