

eufyCam C35

Snap. Stick. Secure. Enjoy Every Moment.

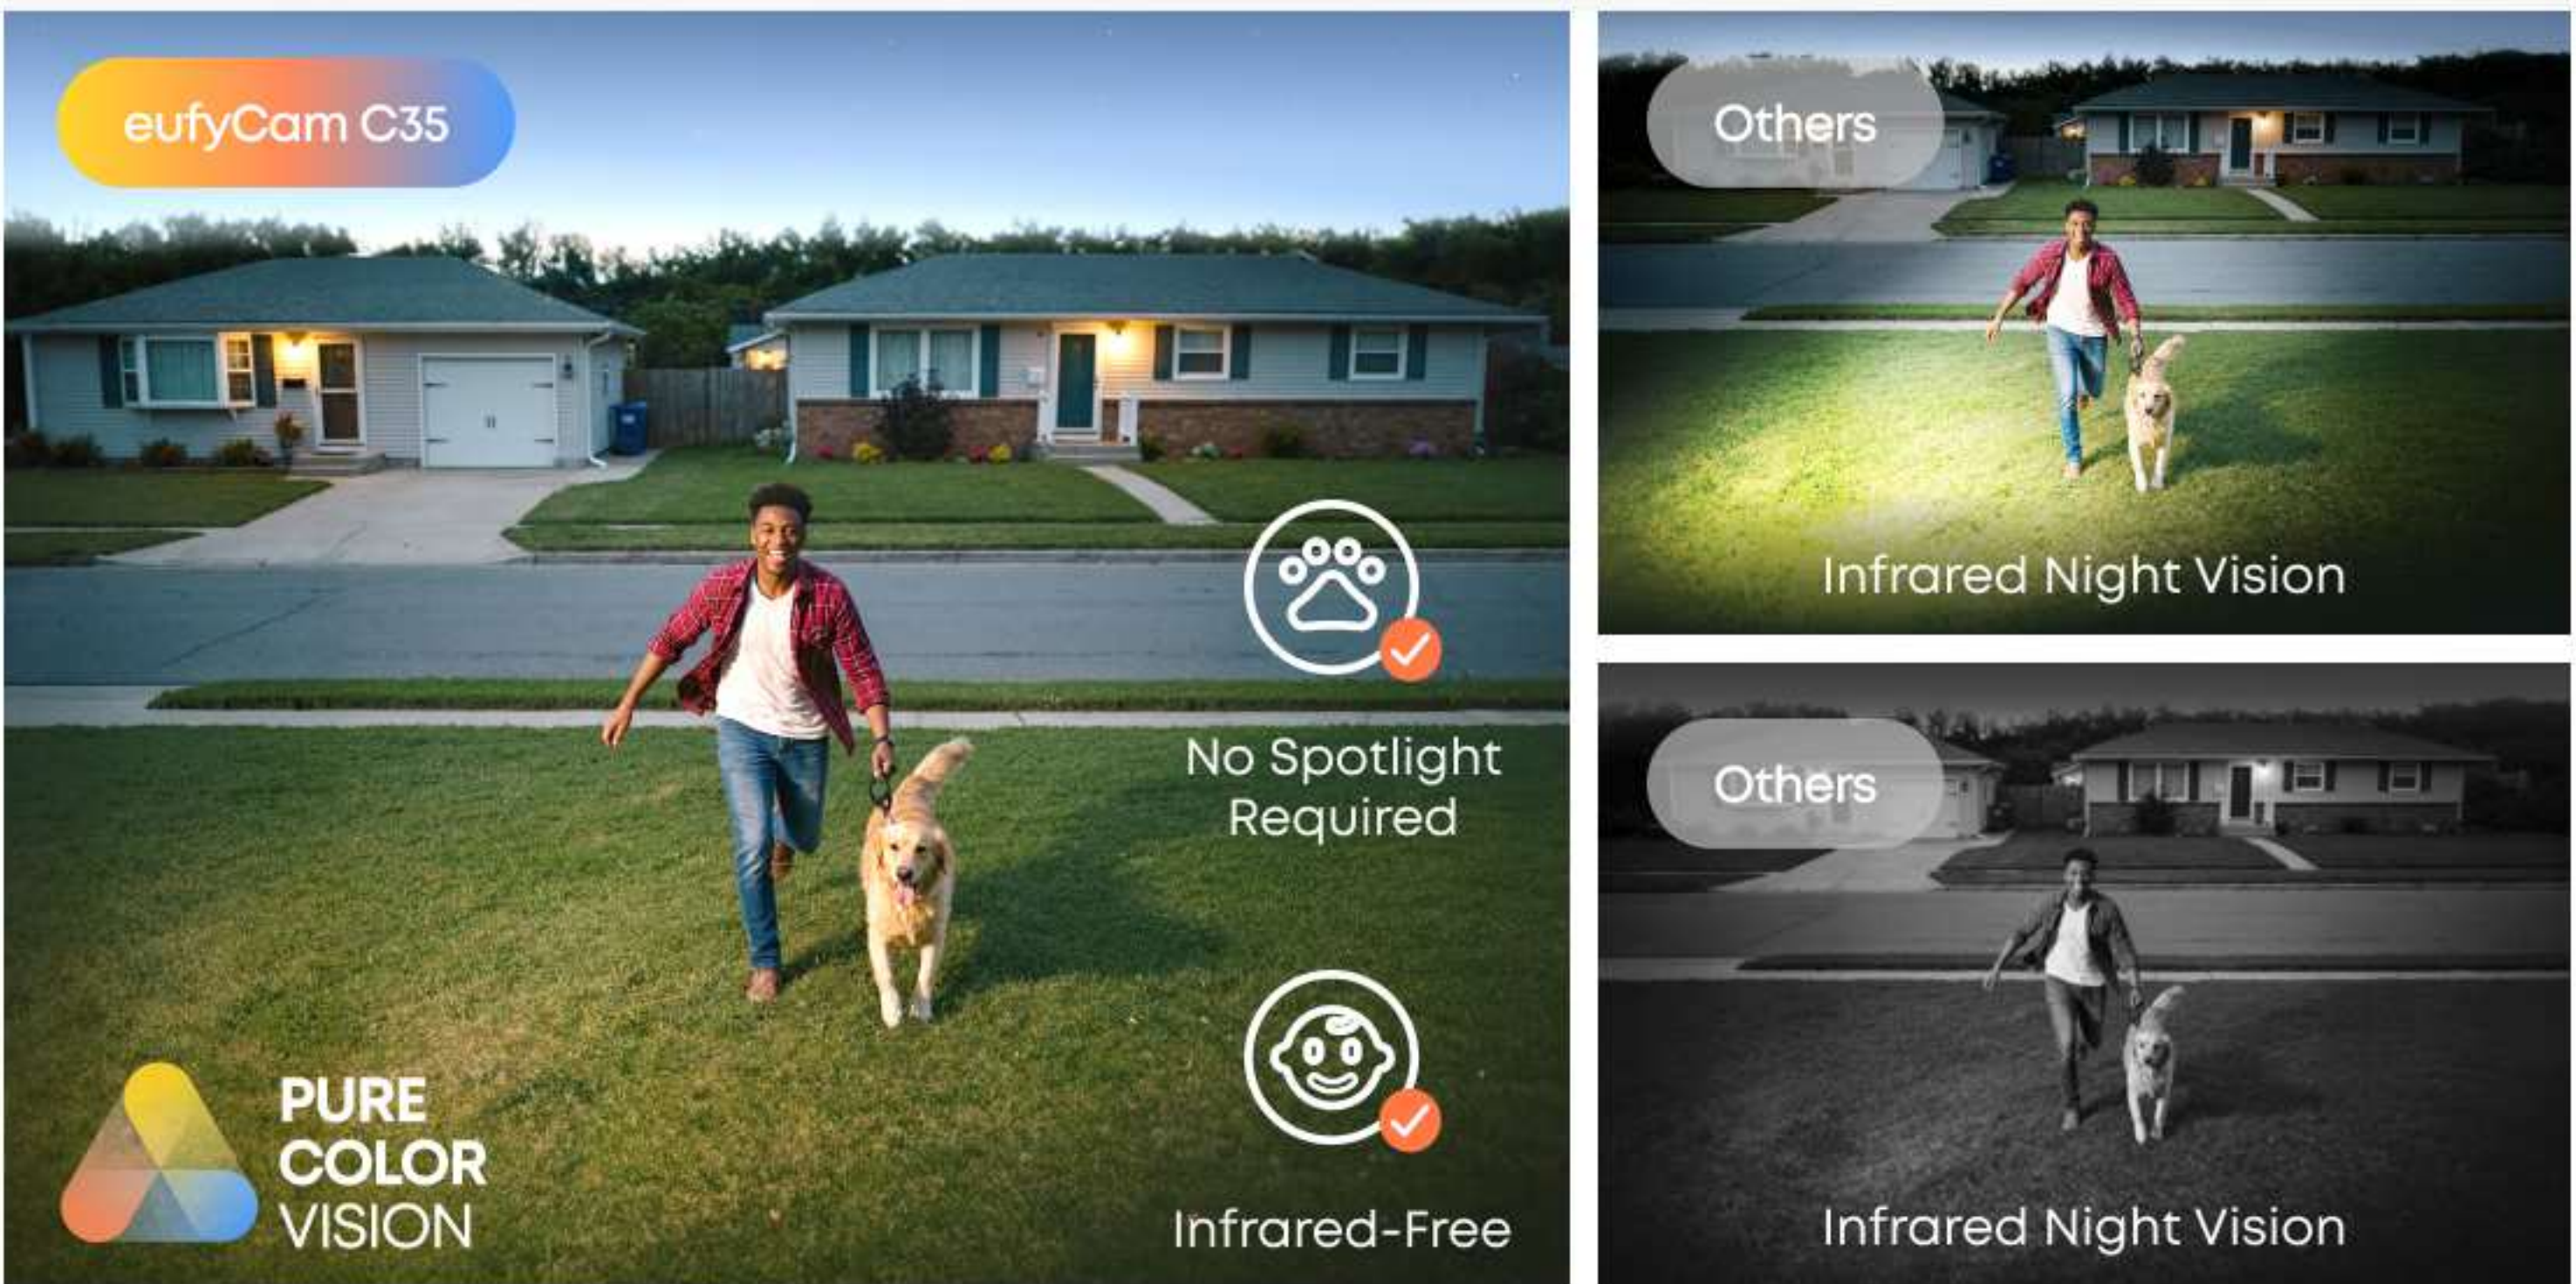

Mount It Your Way

Snap-on and go, attach with a strap, mount to a wall, or simply place on a flat surface—it fits anywhere.

True Colors, Even at Night

Capture every detail in true color with PureColor Vision™, even in low light.

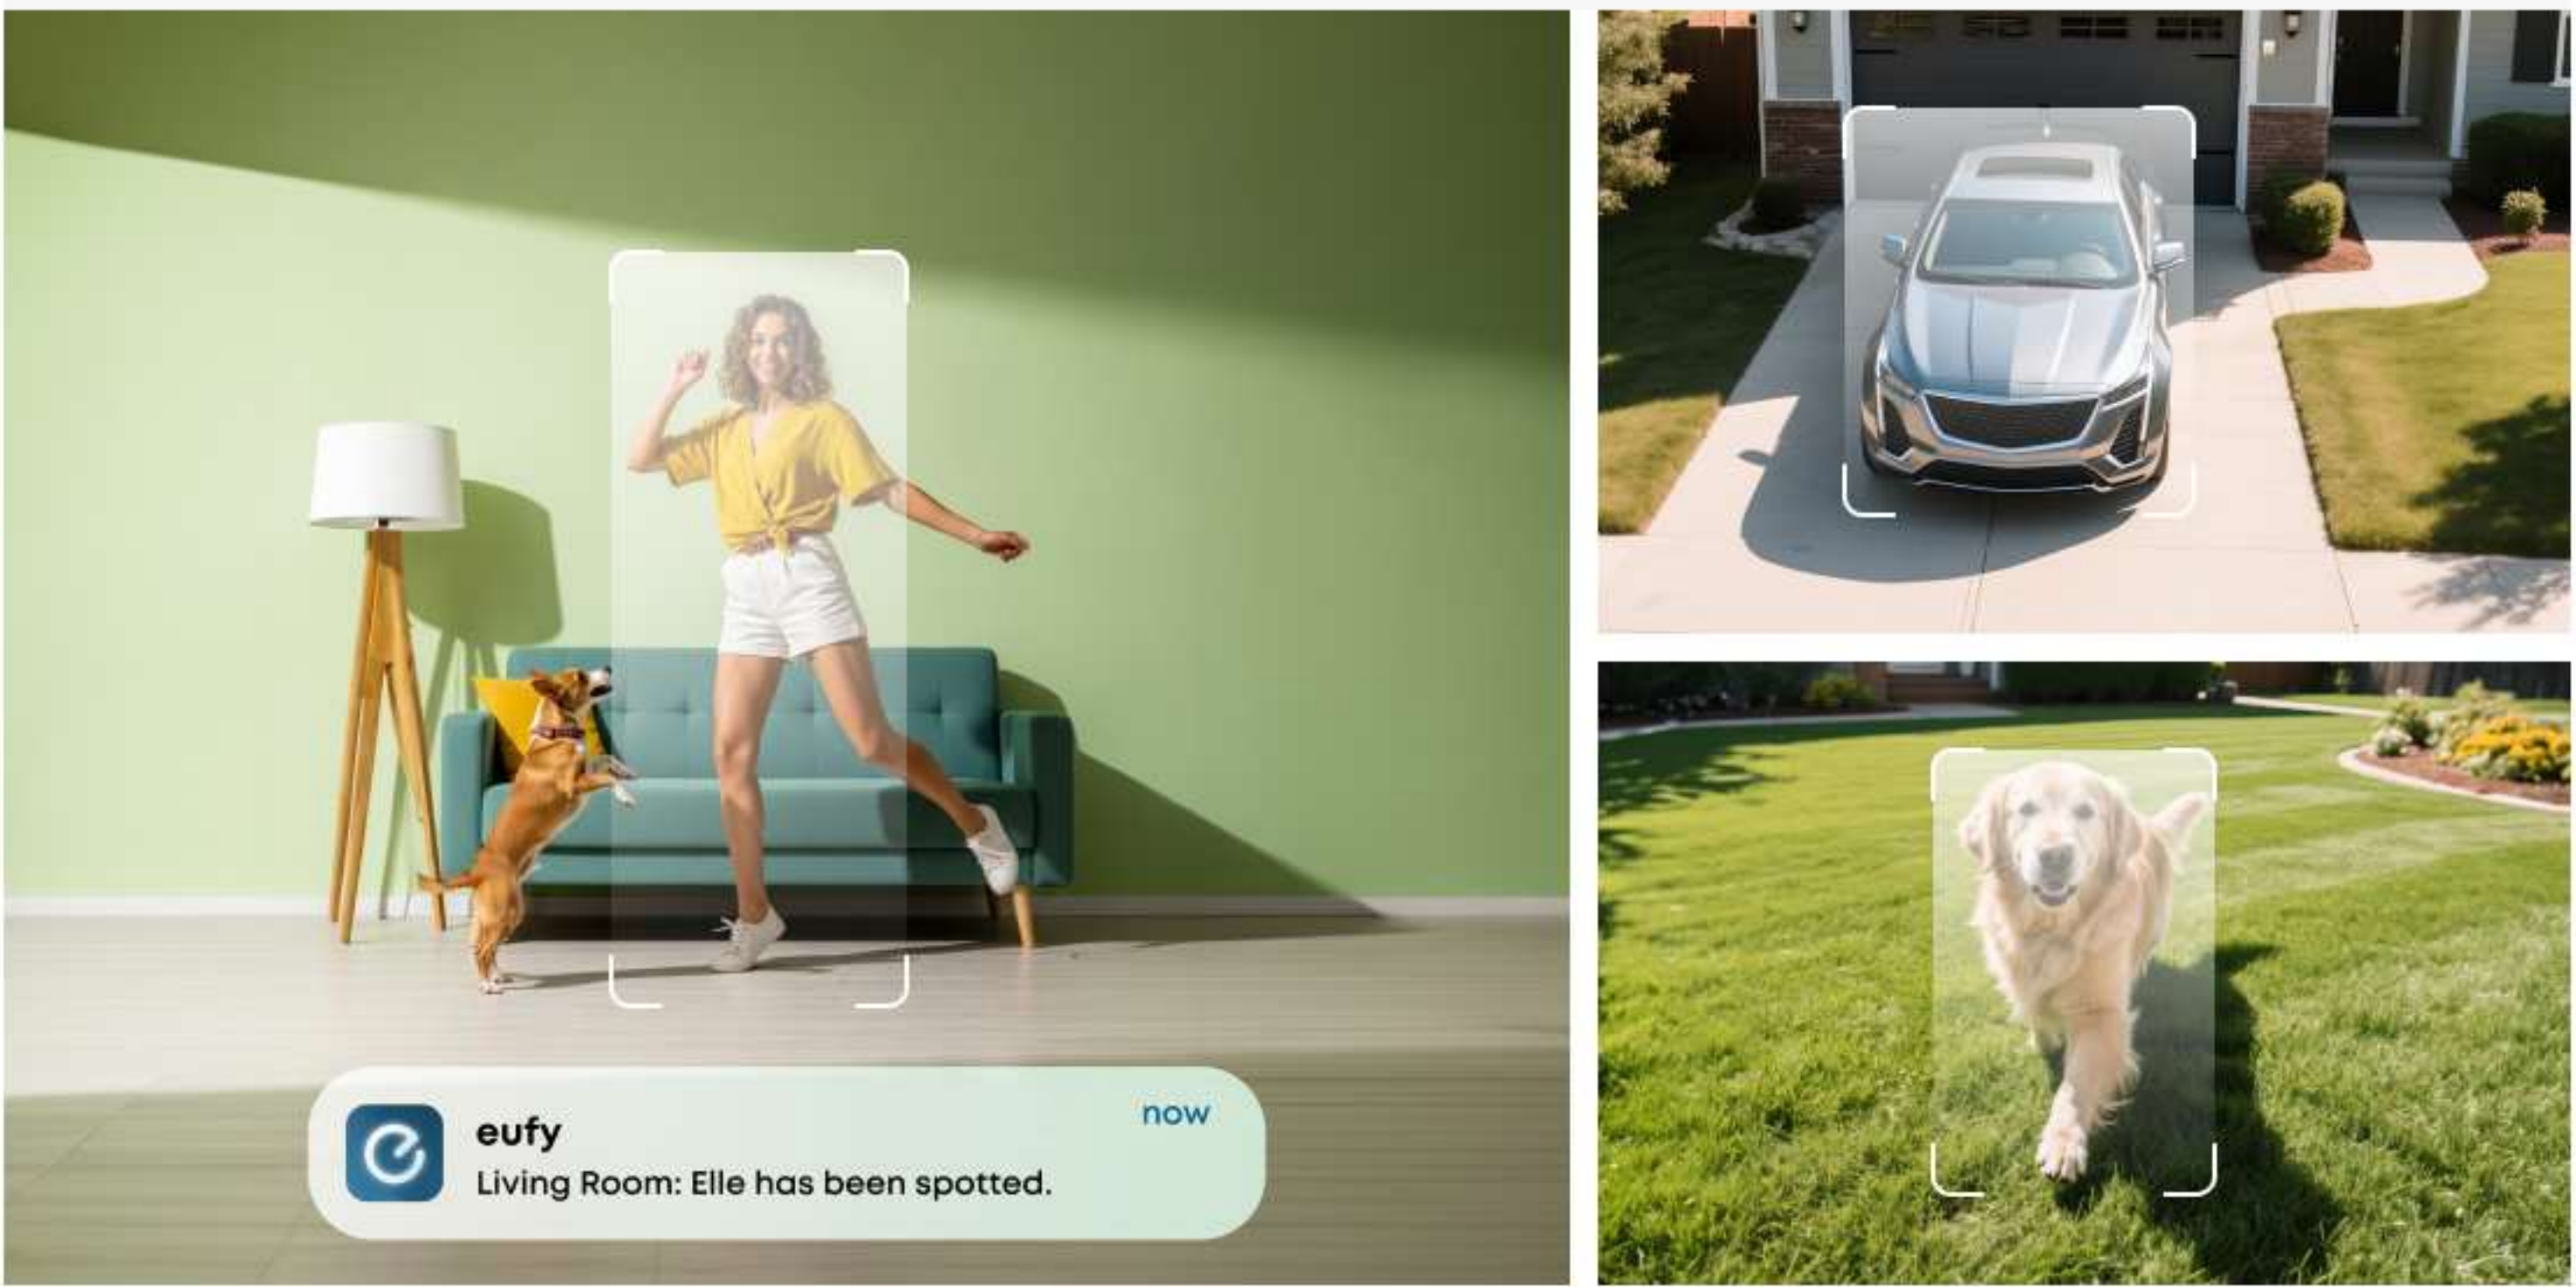

Stays Private. Stays Free.

Store footage locally¹ and securely with HomeBase Mini (up to 1 TB with microSD)² — no monthly fee³.

Intelligent and Accurate Alerts⁴

Identifies faces⁵ and detects people, vehicles, and pets. Set key zones to make sure you only get alerts that are relevant to you.

AI Detection

IP67 Weatherproof

Cross-Camera Tracking

Instant Notification⁴

Two-Way Audio

¹ If you choose to use cloud-based features such as cloud storage or push notifications with thumbnail previews, videos or thumbnail previews will be sent to the cloud as needed to provide your selected features.
² Actual built-in storage may be less than 8 GB due to system use. A microSD card (not included) is required for additional storage.
³ Full product functionality is included with no monthly fee. Optional or premium features may require a subscription.
⁴ Push notifications with thumbnail preview images will be temporarily stored in the cloud.
⁵ Facial recognition requires HomeBase Mini.
