

How To Put On Your Wig

step 1 Brush out your hair. If your hair is long, tie it into a low ponytail.

step 2 Carefully pull the wig cap liner over your head.

step 3 Using two bobby pins form an "X" to secure the wig cap liner.

step 4 Brush your wig using a downward motion. Begin at the ends and gently work your way to the roots.

step 5 Hold your wig at both ear tabs.

step 7 Adjust the ear tabs on both sides to balance the style.

step 8 Style as desired.

step 6 Put your wig on with ear tabs positioned above each ear.
