- ✓ normal energy-yielding metabolism
- ✓ maintenance of normal skin
- ✓ normal formation of connective tissue

These approved health benefits are based on the detailed nutritional composition of the product we supply and in compliance with regulation (EC) No 1924/2006. These health benefits may not be applicable to similar products from other suppliers

ALLERGEN STATEMENT

Pagina 2 van 3

(EN) Product Data sheet
(DE) Produktspezifikation
(NL) Productspecificatie

We hereby certify that Organic 7 Mushroom Blend sold by Vehgro B.V. does not contain any substances causing allergies or intolerances as ingredients or by possibility of cross contamination. The list of allergens which are likely to cause adverse reactions in susceptible individuals is provided in Annex II of Regulation (EU) No 1169/2011. Please note that this statement is based on the information provided by the manufacturer of the product.

AUTHENTICITY

Organic 7 Mushrooms Blend is 100% natural and does not contain any additives such as sugars, acids, colorants, preservatives, etc.

GMO FREE

Organic 7 Mushroom Blend is not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter, can occur. We hereby certify that Organic Mushroom Blend is not subject to labeling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

NOVEL FOOD STATEMENT

Organic 7 Mushroom does not contain any novel food ingredient as defined in regulation (EC) No. 2015/2283, therefore does not require labelling as per regulation (EC) No. 1169/2011.

PESTICIDES

This blend complies with the requirements outlined in Council Regulation (EC) No. 834/2007 (and consecutive amendments). It also complies with Soil Association strict organic farming standards. During the manufacturing process the product and the packaging materials are not exposed to pesticides or pesticide residues. Pesticides are not stored on site, nor used in the manufacturing or warehousing areas.

IRRADIATION

The product has not been irradiated and complies with the EU regulation 1999/3/EC.

BSE STATEMENT

Organic 7 Mushrooms Blend are produced exclusively from plant source, and does not contain any components from animal origin. It has not been derived from any animal source, and has not come into contact with any components of animal origin.

RESIDUAL SOLVENTS

No residual solvents are used in the manufacturing process.

LEVEL OF UNDESIRABLE SUBSTANCES

The strictly controlled production process of Organic 7 Mushroom Blend ensures that the undesirable substances levels (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 1881/2006 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.

ANIMAL TESTING STATEMENT

Vehgro B.V. confirms that we do not conduct or commission animal testing of any products.
