Wireless Multi-Mode Optical Mini Mouse

M600 Mini Silent

This wireless mouse makes a statement with its unique and extra compact, yet sturdy design beautifully crafted with an aluminum alloy finish. The Mini shape, perfect for travel and use on the go, is boosted by a 'silent click' feature, which gives freedom and a piece of mind since disturbing those around you is no longer a concern. M600 Silent transmits using Rapoo's latest and powerful multi-

mode wireless – via Rapoo's reliable 2.4 GHz wireless transmission, Bluetooth 3.0 or Bluetooth 4.0. (Smart) – allowing a simultaneous connection to up to 3 devices and changing (pairing automatically) among them. Precise navigation on nearly every surface is also possible thanks to the invisible tracking engine with 1300 DPI. To top it off, this compact elegant mouse also offers up to 6 months battery life and has a power button.

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between *Bluetooth 3.0*, *Bluetooth 4.0 (Smart/ BLE)* and *2.4 GHz* ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your mouse regardless of USB port shortage or the loss of receiver.

► Automatically switch among 3 connected devices in one click (Automatic pairing)

Connect to all your devices: M600 Mini Silent automatically pairs the working device. It simultaneously connects to up to 3 devices, and easily switches among them. It simplifies activities across devices and meets multi-tasking requirements.

► 1300 DPI Invisible tracking engine

Enjoy total control: with the advanced 1300 DPI invisible tracking engine, accuracy is no longer left to chance. You will enjoy responsive and smooth cursor control on practically every surface.

► Up to 6 months battery life battery

Low energy consumption: Rapoo's energy-saving technologies, combined with the on/off switch, enable you to use this mouse continuously for up to 6 months.
