

## Regulatory information

For regulatory identification purposes, Mio Cyclo 220 is assigned a model number of N506. Hereby, MiTAC declares that this N506 is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. Visit Mio website ([www.mio.com](http://www.mio.com)) for the full text of the declaration for your Cyclo device.

## IPX5

An IPX5 designation means that the unit is protected against water jets but NOT against immersion in water or water-pressure such as washing the unit with running water. Because of possible user-resealing error, this product is not warranted against waterproof housing leakage or any resulting damage. Please make sure the waterproof cover is tightly closed before using the product.

Revision: R00 (11/2020)

## Trademarks

All brand and product names are trademarks or registered trademarks of their respective companies.

## Disclaimer

Specifications and documents are subject to change without notice. MiTAC does not warrant this document is error-free. MiTAC assumes no liability for damage incurred directly or indirectly from errors, omissions, or discrepancies between the device and the documents.

## Notes

Not all models are available in all regions.

Depending upon the specific model purchased, the colour and look of your device and accessories may not exactly match the graphics shown in this document. The screenshots and other presentations shown in this document are for reference only. They may differ from the actual screens and presentations generated by the actual product.
