Contents:
1 board
16 shapes
Game Rules

Can you block without being blocked? Players take turns placing their game pieces onto the grid. The rules are simple - Pieces of the same color **MUST** touch, and pieces of the same shape **MUST NOT** touch. Whoever places the most pieces onto the grid wins the game! Or whoever has the most open pegs surrounding their game pieces wins the game!

Two Simple Rules:

1. Pieces of the same color **MUST** be next to each other.

Correct Move

2. Pieces of the same shape **MUST NOT** be next to each other.

Incorrect Move

Recommended for Ages 6 to Adult
