THIS VENOMOUS MODEL WILL GROW ON YOU...

"Dangerous alien villain? Or misunderstood anti-hero? However you perceive Venom, there's no getting away from the fact that he's an absolutely iconic character in the Spider-Man universe, and we wanted to pay tribute to that for the fans.

The first obstacle for us when designing was that he is a symbiote, so it's not a mask, it's actually a living, breathing thing, and making something which feels organic is always a challenge with LEGO® bricks.

We made the eyes slightly asymmetrical to help with the organic feel, and naturally that famous big, red tongue is a central feature. I think the team hit the iconic Venom look spot on, and I'm sure fans will agree.

One last thing...take care while building, this is a model that will grow on you!"

LEGO® CREATIVE LEAD JESPER C. NIELSEN

VOUS VOUS ATTACHEZ À CE MODÈLE VENIMEUX...

« Un méchant extraterrestre dangereux ? Ou un antihéros incompris ? Quelle que soit la façon dont vous percevez Venom, nul ne peut ignorer qu'il est l'un des personnages les plus emblématiques de l'univers de Spider-Man, et nous voulions rendre hommage à la place qu'il occupe dans le cœur des amateurs.

Le premier obstacle que nous avons rencontré lors de la conception était le fait qu'il est un symbiote, donc c'est une forme de vie qui respire et non pas un masque, et c'est toujours un défi de traduire une impression de vie avec des briques LEGO®.

Les yeux sont légèrement asymétriques pour contribuer à donner cette impression, et bien évidemment sa célèbre grande langue rouge est un aspect dominant. Je crois que l'équipe a parfaitement saisi l'essence de l'emblématique Venom, et je suis persuadé que les amateurs seront d'accord.

Une dernière chose... faites attention durant la construction; vous vous attacherez à ce modèle ! »

JESPER C. NIELSEN, RESPONSABLE DE LA CRÉATION LEGO®

ESTE VENENOSO MODELO CRECERÁ DENTRO DE TI...

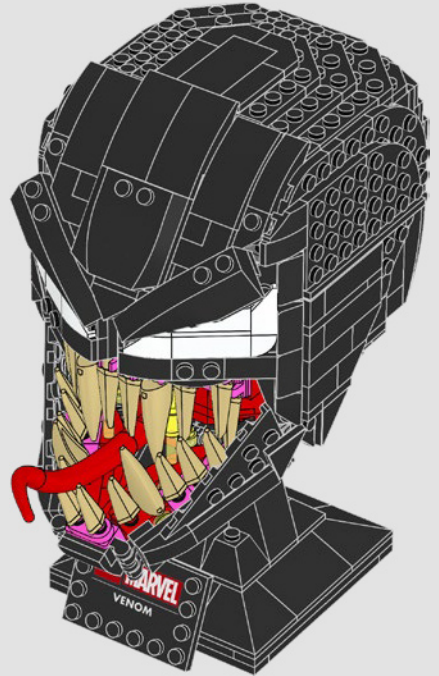

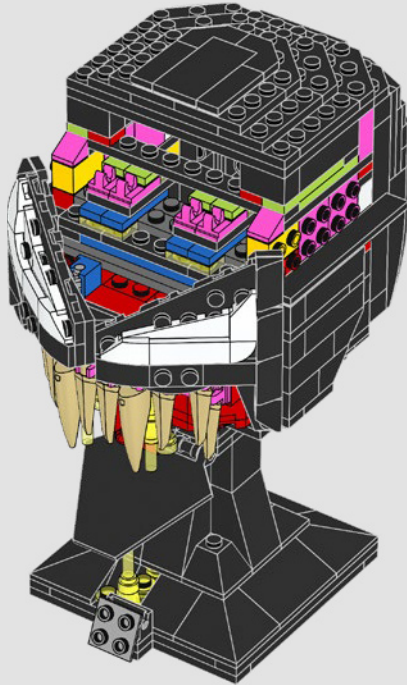

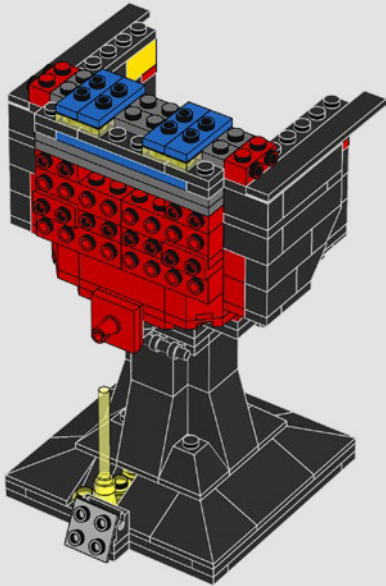

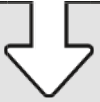

"¿Peligroso villano extraterrestre? ¿Antihéroe incomprendido? Como sea que percibas a Venom, no cabe duda de que es un personaje indiscutiblemente característico del universo de Spider-Man y queríamos rendirle un homenaje en nombre de los fans.

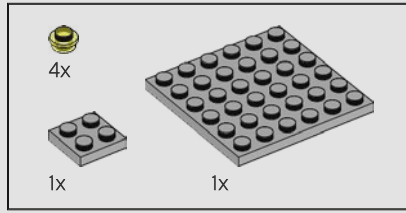

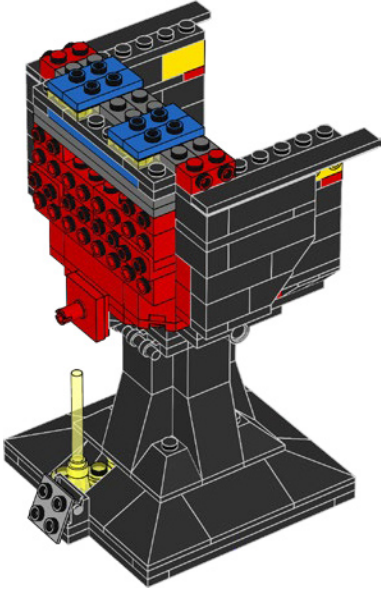

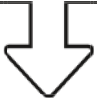

El primer obstáculo al que nos enfrentamos al diseñarlo fue que es un simbiote, así que no es realmente una máscara, sino un ser que vive y respira: crear algo que se sienta orgánico con bricks LEGO® siempre es un desafío.

Hicimos los ojos ligeramente asimétricos para contribuir a esa sensación orgánica. Naturalmente, su famosa y enorme lengua roja tenía que ocupar un lugar destacado. Creo que el equipo dio en el clavo al recrear el inconfundible aspecto de Venom y estoy seguro de que los fans estarán de acuerdo. Una última cosa: ten cuidado mientras construyes, ¡este es un modelo que crece dentro de ti!"

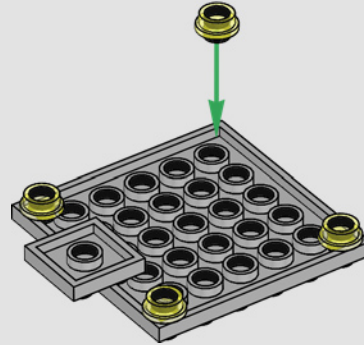

JESPER C. NIELSEN, JEFE CREATIVO DE LEGO®
