

APC SurgeArrest PM5 Series

Reliable and safe protection

Lightning and power surges can destroy unprotected electronic equipment. Voltage fluctuations can cause keyboard lockups, loss of work and will degrade electronics over time. The new APC SurgeArrest PM5 series is guaranteed to protect your home and office electronics from the constant threat of dangerous power disturbances.

- **Clean, safe power**
- **Catastrophic event protection**
- **Full warranty**
- **5 surge protected outlets**
- **Unique design**

The PM5U offers 2 USB ports for safe charging of all USB enabled devices, including smartphones, tablets, and digital cameras. The PM5T provides telephone line protection from dangerous “backdoor” surges that travel along datalines. And the PM5V adds coaxial cable dataline protection for your valuable AV equipment.

Multi-stage surge protection circuitry ensures protection is guaranteed for life. All three power modes (L-N, L-G, N-G) are protected.

EMI/RFI noise filter protects from electromagnetic and radio frequency interference, specifically valuable for maintaining AV quality and preventing keyboard lockups.

Overload protection circuit breaker provides easy recovery from overloads; no need to replace a fuse.

Surge Protection LED illuminates when the SurgeArrest is switched on and supplying conditioned utility power to the outlet.

Ground OK LED warns of potentially dangerous wiring problems in the wall circuit.

Technical Specifications

Models: PM5, PM5U, PM5T, PM5V

General

Nominal Input Voltage: 230V

Frequency: 50 +/- 5 Hz

Socket type (differs by region)

-GR/-RS: Schuko CEE7

-FR: French CEE 7/5

-IT: Europlug CEE7/16

-UK: BS1363

Cord length: 1.8 meters

Color: White

Surge Protection

Surge Protection: All outlets (5)

Joule rating: 918

Maximum spike current: 36,000 Amps

Maximum spike voltage: 6,000 Volts

EMI/RFI noise reduction: <40 db

Physical

Unit dimensions (LxWxH):

370.4x72.6x50.7 mm

Unit weight: ~0.67 kg

Shipping dimensions (LxWxH):

405x130x58 mm

Shipping weight: ~0.79 kg

Availability

The new SurgeArrest Essential, Home/Home Office and Performance family surge protectors are available with localized sockets throughout Europe, the Middle East, and Africa. PM5 series models include the following:

Product family	Model
SurgeArrest Essential	PM5-GR, PM5-RS, PM5-FR, PM5-UK, PM5-IT, PM5U-GR, PM5U-RS,
	PM5U-FR, PM5U-UK, PM5V-GR,
	PM5V-RS, PM5V-FR, PM5V-UK,
	PM5T-GR, PM5T-RS, PM5T-FR,
	PM5T-UK

Management

Surge Protection LED: Yes

Ground OK LED: Yes

Resettable circuit breaker: Yes

Power Switch: Rock switch

Warranty and Compliance

Full warranty: All models, varies by region (see www.apc.com for details)

Regulatory compliance: CE, ROHS, EAC

USB / Dataline Surge Protection

PM5: NA

PM5U: 2 USB charging ports
(5V, 2.4A total)

PM5T: Telephone protection
(RJ-11 ports, 1-in/1-out)

PM5V: Coaxial cable protection
(1 pair, Golden Aerial type)

New SurgeArrest Essential family

Models shown: PM5U, PM63VT, PM83VT
