

Certificate of Conformity

1. Manufacturer / Importer

Name: Kivora B.V.

Address: Veldhuizenlaan 25,3454EB,De Meern,Nederland

Contact: kivora.buy@outlook.com

2. Product Information

Product Name: Solar Panel Mounting Bracket

Description: A mechanical support accessory designed to assist in the positioning, mounting, or angled support of photovoltaic modules in residential, light-duty outdoor, or similar installation environments.

3. Conformity Assessment

This product complies with the relevant European Union legislation:

Regulation (EU) 2023/988 – General Product Safety Regulation (GPSR)

Regulation (EC) No 1907/2006 – REACH

Regulation (EC) No 1272/2008 – CLP

4. Standards Applied

General Product Safety

Product risk assessment performed in accordance with Regulation (EU) 2023/988

Material and Chemical Compliance

Compliance review under REACH (EC) No 1907/2006

Restricted substance screening for coatings, paints, plating, and polymeric components where applicable

Mechanical / Structural Safety

Verification of:

load-bearing capability under intended use

fastening integrity

corrosion resistance considerations

edge and burr safety

installation compatibility

deformation resistance under declared loading conditions

5. Signature and Date

Date of Issue: 16/03/2026

Name: Rozing Michael

Signature: *Rozing Michael*
