INSTRUCTIONS

SET UP:

Shuffle the Karen cards and place in the middle of the table face down. Each player gets a writing pad and pencil for the play.

PLAY:

The youngest player goes first. They draw the top card of the Karen deck and reads it aloud. Each player, including the reader, then secretly decide which player is most likely to act like the Karen circumstance on the card and writes down their vote on the paper.

Each player gives their paper to the reader and that player adds up the votes. The player with the most votes gets a point. If there is a tie, then no one gets a point and the turn is over. The play continues to the left.

WINNING THE GAME:

The first player to 7 points wins – and is deemed **the biggest Karen/Ken in the room!**
