

The image shows the back of a blue smartwatch. At the top, there is a charging port with four gold pins. Below it, the brand name 'GIEWONT' is embossed. A white rectangular label is pasted in the center, containing a barcode and the IMEI number '866930049430029'. At the bottom, there are three regulatory symbols: the CE mark, the RoHS logo (a leaf), and the WEEE recycling symbol. Two red arrows point from the right side of the frame towards the 'GIEWONT' text and the white label.

GIEWONT

IMEI: 866930049430029
