

two pieces placed next to each other create instant support
Label the cubes appropriately letting your creativity flow.

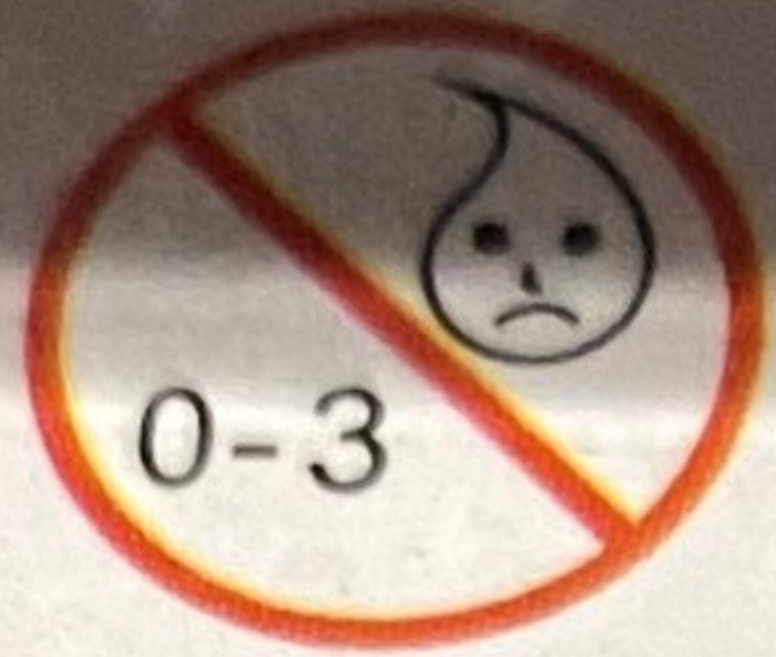

Play is the primary mode of learning for children. Young children learn about the world around them. When a child has the opportunity to talk and play with others, from them, the sense of discovery is very exciting and empowers them.

This toy offers hours and hours of fun - children can build and create. Let their imagination go wild with ideas.

Create cubes, houses, airplanes, cars, fish and so much more.
