Healthy, homemade juice in seconds- juice a variety of fruits and vegetables. Juicer is easy to assemble with extra-large pulp bin.

Extra-large 75mm feed chute fits whole fruits and vegetables - Fit a whole apple, a peeled orange or a handful of kale. Less precutting, and more continuous juicing for fresh fruit juice, vegetable juice, or nutrient packed celery juice

Easy to clean - Removable parts are dishwasher safe and BPA free

Powerful electric motor for maximum juice: 800w of power can turn a dense beet into smooth juice in seconds
