HEMP OIL

ADVANTAGES:

Hemp oil is a 100% natural product derived from the hemp oil plant, also known as the Latin name cannabis.

Since ancient times, humanity has grown the hemp plant because of its medicinal properties, the oil contained in its seeds and the strength of the fibers of the stem.

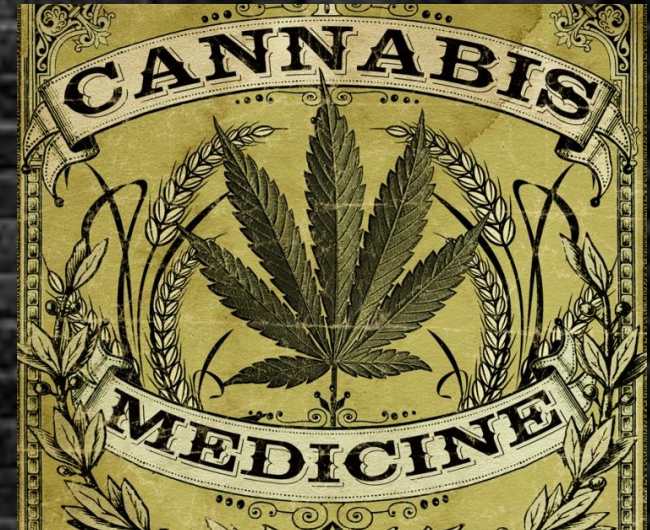

The substances contained in hemp have a beneficial effect on the human body. Plant seeds contain Omega-3 and -6 essential fatty acids and vitamins: A, B1, B2, B3, B6, C, D and E.

The flowers and leaves of the plant contain over 400 organic compounds. They are divided into two groups - terpenes and cannabinoids.

HEMP OIL AND HAIR

- ✓ HEMP oil prevents the hair and scalp from draught out by covering it with a protective layer that does not allow the hair to lose moisture.
- ✓ Suitable for summer.
- ✓ HEMP oil makes exhausted hair to revive and shine.
- ✓ It is suitable for every type of hair, nourishing and stimulating its growth.
- ✓ It is quickly and easily absorbed by the scalp without leaving sticky layer and at the same time helps the hair growth in various ways.
- ✓ The hair is made up of cells with a lot of keratin and pigments that determine the color of the hair. Cannabis oil is able to supply the protein needed to nourish the structure, and blood circulation of the scalp and nourishes the follicles to support the hair growth.
- ✓ Another benefit is its prevention against split hair ends. When the hair is extremely dry it is weak and damaged, but thanks to hemp oil, it strengthens and revitalizes.
